

Healthy Parent Carer Programme

Do you have a child or children with special needs and live in the London Borough of Enfield? (or your child with special needs attends school/nursery or college here)

Do you need help for YOU to be healthier and happier in caring for your family? Learn how to take small steps to focus on your needs to improve your health and wellbeing and take greater control of how you deal with things.

Want to meet other parent carers? Share your experiences and advice! This course is about you, not parenting or how to get support for your child.

This is a free 6-week course running each Tuesday from 7th Jan 2025 to 11th Feb 2025, 10 am to 1 pm at the Ponders End Family Hub, 129 South Street, EN3 4PX. Participants must attend all six sessions.

Please register by Monday 9th December.
