Our Voice

The information in this guide has been collated by Our Voice, the Parent Carer Forum for the London Borough of Enfield.

We are a parent-carer-led team, who work with parents and carers, as well as the statutory (Local Authority and Health Services) and voluntary sectors to improve services for children and young people with disabilities or special educational needs (SEND), aged 0 -25, in the London Borough of Enfield. You can see more information about what we do on our website at https://www.ourvoiceenfield.org.uk/about_us

We also run our own programme of events including family fun days (usually once a term) and other family events, as well as information and discussion events for parents and carers. Our most popular events are usually booked very quickly after opening, by the members of our mailing list.

If you are the parent carer of a child or young person with SEND we recommend that you sign up to our mailing list to be kept up to date with the latest news and developments – including our own events and other SEND-specific or inclusive play and leisure opportunities. You can do this either by emailing us at info@ourvoiceenfield.org.uk (please include your full name as well as your email address) or signing up via our website https://www.ourvoiceenfield.org.uk/contact_us

Introduction

In this update, we give you news of some of the events and activities for children and young people with SEND, in (or close) to the Enfield area as well as some days out in London and nearby.

This guide covers activities that are normally ongoing throughout term time. Some but not all continue during school holidays, but we normally publish a separate guide before each holiday to highlight any activities happening then, including one-off holiday specials.

We have included information about activities and days out. Some of these are specifically aimed at children and young people with additional needs and others are more general but may be suitable for some. Please do check individual websites and talk to the venues/organisers if you are not sure whether something may be suitable.

Whilst every effort has been made to ensure that this information is accurate, we would recommend that you check with individual venues and providers in advance of any visit. Our website also includes some [activities to keep your child entertained at home](#) which may be useful.

We will update this guide with any other relevant information, so if you do hear of something that you think would be useful for other families, do let us know (contact details are at the end of this update).

‘Local Offer’ information

The Local Offer is the Local Authority website bringing together information about all aspects of provision for children with Special Educational Needs and Disabilities (SEND). It contains a section on [activities and things to do](#) and information about [‘Short Breaks’](#)

More information is in the attached [Enfield Children and Young Person’s Service Guide for parents and carers](#) on local free and affordable activities. There is also information about [accessible toilets and changing facilities](#).

General Guidance

Visiting a new venue can be a daunting experience if you have children with either physical disabilities or sensory impairments. From issues around wheelchair access and accessible toilets to combating your child's anxieties over an unfamiliar environment, the relevant information isn't always easy to find. The [AccessAble](#) website gives detailed (and free) information about the accessibility of thousands of venues in the UK - including more than 200 in the Borough of Enfield. The information is available in an easy-read format (often useful if you want to look at it with your child/young person) as well as a variety of different languages. Please do note however that some information may have changed as a result of the pandemic, so do check directly with the venue as appropriate. You may also find these guides useful: London attractions: [Accessible attractions - London Attraction - visitlondon.com](#) Rough Guide to Accessible Britain <https://www.motability.co.uk/news/rough-guide-to-accessible-britain/> Accessible days out Disability Horizons [10 accessible days out across the UK for disabled people \(disabilityhorizons.com\)](#)

School holidays

Our Voice usually produces specific booklets for each school holiday period setting out some of the local inclusive or SEND specific activities and days out available. Watch out for the latest version on our [news page](#).

Playschemes and other activities

The Local Authority publishes a booklet setting out playschemes and activities for the school holidays. The most recent version of this for Christmas 24 can be found on the Local Offer [here](#) (scroll down to the

document entitled Holiday Play and Leisure activities booklet) along with additional information about playschemes and after-school clubs. We await the Spring/Summer version of the booklet.

The booklet includes specialist playschemes (including ALWA, Centre 404 VIP and Cheviots), inclusive playschemes like Endorphins, and other activities. You can see presentations from some of these providers on our website [here](#) as well as an overview from the Joint Service for Disabled Children, who manage 'Short Breaks' in Enfield.

We await the next brochure for half term February 2025.

HAF Programme

The HAF Programme is generally open to any children who qualify for free school meals and provides free activities and meals during the Easter, Christmas and Summer school holidays. Details [here](#).

It is not a SEND-specific programme, and although it is intended to be inclusive you will need to check if activities are suitable for your child. There are instructions on how to check this [here](#). You should share as much detail on your booking form as you can, and we would suggest that you talk to your HAF provider as early as you can to discuss your child's requirements and make sure that they are able to meet your child's needs appropriately. If you have any further questions please email haf@enfield.gov.uk

We await information on the Easter 25 HAF programme. HAF Vouchers will be sent to parents and carers of eligible Enfield Children and Young people via email or text. Contact your child's school if you think you are eligible but have not previously received vouchers.
