

Say hello to Peli and Tou!

The Foundation for People with Learning Disabilities is delighted to launch **PELICAN - Promoting Emotional Literacy In Children with Additional Needs.**

**PELICAN** is a set of free, web-based materials for children and young people with complex learning needs and/or learning disabilities and people who support them.

**PELICAN** helps staff, parents and carers to develop emotional literacy, wellbeing and resilience in children with learning disabilities and autism. It helps with emotional and behavioural difficulties they have. It can be used alongside other support.

**PELICAN** can be used in schools, other settings, communities and at home. It is based on over 10 years of action research including collaboration with children, young people and the adults that support them.

**Peli** and **Tou** introduce you to the **PELICAN** Framework through a simple visual story. **Peli** is scared to fly but **Tou** is on hand to help! So, **Peli** changes from **Peli can't ...** to **Peli can!**

Through the story and linked activities, you are guided through the Framework as you introduce:

- I CAN **Feel**
- I CAN **Relax**
- I CAN **Think**
- I CAN **Do**

If Peli can and Tou can, then you can!
